

eStatement Disclosure

By electing to stop receiving paper documents in the mail, you agree that UNCLE Credit Union may provide you with any disclosures or notices legally required in connection with your membership or account, electronically rather than in paper form. These disclosures include, but are not limited to, your periodic statement of account, our privacy policy, change of terms notices, and amendments or addenda to the Member Agreement or to the terms of any benefits, products, or services offered in connection with your account. You may cancel your enrollment at any time and have the right to receive these disclosures in paper form. There will be no fees or penalties for canceling this service.

You may cancel your enrollment or update your e-mail address online in Online Banking. It is your responsibility to provide and maintain a valid email address to receive your electronic account statement. If your e-mail address changes, it is your responsibility to submit a change of address to the Credit Union.

You must have a valid internet e-mail address, access to the internet and a printer to take full advantage of this offering.

Your browser must have cookies enabled and the latest version of the free Adobe Reader to view and print. Depending on your statement closing date, you may receive one more paper statement.

We reserve the right to cancel this service, change the terms of your use of this service or send disclosures in paper form at any time.

We make every effort to ensure that this service is provided without interruption; however, we are not responsible for any delay or failure on our part in sending you e-mail reminders or in making this website or paperless statements available to you.

We may use your e-mail address to notify you of the availability of your statement and to send you important information about your account. We will not use or provide your e-mail address to third parties for any other purpose without your permission.

You may request a copy of a statement at any time by contacting Member Service at (925) 447-5001, visiting any of our financial centers or from Online Banking at www.unclecu.org. Please refer to our current Fee Schedule for any associated fees.

If you use a spam filter, which blocks or re-routes e-mails from senders not listed in your e-mail address book, you must add eservices@unclecu.org to your e-mail address book.
