

*Peter Goldstein has been a member of UNCLE Credit Union for approximately 33 years. He is currently employed at Lawrence Livermore National Laboratory in Livermore, where he has been a Physicist, Software Developer, and Project Manager for over 33 years.*

*Peter's scientific background, programming experience, and leadership responsibilities have provided him the opportunity to work with a diverse group of people specializing in technical and management roles. His project management responsibilities gave him the opportunity to work with accounting personnel in collecting, summarizing and interpreting financial data for the use of management.*

*Peter also has significant experience with personal finance as a homeowner, and while acting as his own general contractor/homebuilder and remodeler. He also has an active interest in economics, investing, and personal and business finance.*

*Dr Goldstein received his Ph.D. in Physics from the University of California at Santa Barbara.*

*Dr Goldstein has lived in Livermore for the last 33 years. In addition to volunteering time to benefit various organizations (Bankhead theatre, LARPD, Del Valle folk dancers, Power Yoga networking group), previous service includes a variety of capacities in the Boy Scouts including assistant scout master.*

*Peter believes that he can faithfully serve and perform his duties as a Director of the Board due to his years of experience in technical and leadership roles at LLNL, his experience as his own general contractor and remodeler, and his interest in and experience with various financial products and instruments.*
