

Candidate Statement Of
Robin Morris

Robin Morris has been a member of UNCLE Credit Union for more than 34 years. She has been employed by the City of Livermore for 34 years and currently holds the position of Police Business Services Manager.

Robin develops and oversees the police department's 45 million dollar budget and performs financial analysis and budgetary management; develops internal control procedures to assure compliance with budget allocations; performs financial forecasting by providing revenue and expenditure projections and assists in the preparation and monitoring of Police Department grants. She also serves as a trustee/member of the City's Deferred Compensation Committee. A position she has held for 8 years. She has been a member of the East County Animal Shelter Committee for 18 years and is currently serving as Chairperson.

Prior to joining the Police Department, Robin held the position of Accountant in the Finance department and was responsible for developing the City's personnel budget and overseeing the payroll processing and compliance functions.

Robin served as a member of the UNCLE Supervisory Committee for 7 years and later as a member of the Board of Directors. She has served on the Audit Committee for three years and in the position of Chairperson of the committee for two years.

Robin received her Bachelor of Science Degree in Business Management from the University of Phoenix and has been a certified tax preparer for more than 30 years.

Wishing to give back to the community, Robin has volunteered her time to serve 8 years on the adult advisory board working with Livermore's Masonic Youth Group Rainbow for Girls, serving as Treasurer and Vice Chairman. She spent two years as President of the parent support group for Liberty High School's choir program and currently serves as Treasurer of the Livermore Management Group.

Robin believes that she can faithfully serve and perform her duties as a Board Member due to her education, training and professional experience in finance at the management level.
