

Candidate Statement: Katherine Enchill

Katherine Enchill has been a member of UNCLE Credit Union for over six years and is eager to contribute her professional expertise to the Board of Directors. She currently serves as a Senior Financial Analyst at Lawrence Livermore National Laboratory (LLNL), where she has worked for seven years. Her expertise in financial analysis, budgeting, and forecasting has significantly supported strategic decision-making in her division.

In her role, Katherine develops complex financial workforce plans, provides detailed recommendations for management, and directs budget and cost controls. She also performs financial audits, creates forecasts for projects, and evaluates operational performance for senior leaders.

Katherine holds an MBA with concentrations in Finance and International Management from Saint Mary's College of California, and a bachelor's degree in business administration (Marketing) from San Jose State University.

A resident of Brentwood, California, Katherine, is committed to her community, having volunteered for church activities and served as Treasurer for the Lawrence Livermore Laboratory Women's Association.

Her combination of financial expertise, leadership, and community service makes Katherine a strong candidate for the Board of Directors. Her experience in finance, operations, and marketing will allow her to make informed, impactful decisions to advance the mission of UNCLE Credit Union.
